

# The Art Society Stourbridge

Our more able artists were asked by The Art Society to design a plate. The winning design will be made at Wedgewood and sold.

Our artists discussed ideas collaboratively and then used watercolour pencils. Please take a look at our children working.

Our first prize winner – Talise.  
She will be visiting Wedgewood with her family in September. This will be a day full of art activities and her design will be judged along with many other entries. The winner's design will be made into a Wedgewood plate.

Our Runners Up!

All our wonderful entrants!
