

HOMELARNING

Home learning will be shared via Seesaw on a Wednesday. Each week there will be one activity for your child to complete at home. It will either have a maths or English focus. Home learning is to be completed by the following Wednesday and shared via Seesaw.

Reading

Children will bring home two banded reading books (matched to their reading level) and one library book each Friday. Please read with your child at home three times during the week and discuss the book along with any new vocabulary. Please share this reading via Seesaw (preferably in one post) and return books to school on a Wednesday.

Equipment

The children do not need to bring in any specific equipment. We will let you know when an apron/old shirt is needed for any art lessons using paint.
