

Maths

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Number: Place Value			Number: Addition and Subtraction		Statistics		Number: Multiplication and Division			Measurement: Perimeter and Area	
Spring	Number: Multiplication and Division			Number: Fractions						Number: Decimals and Percentages		Consolidation
Summer	Consolidation	Number: Decimals			Geometry: Properties of Shape			Geometry: Position and Direction		Measurement: Converting Units		Measurement: Volume

Autumn

During the Autumn term, Year 5 will focus on the following:

- Place value
- Addition and subtraction
- Multiplication and division
- Statistics.

Children will also develop their mental agility through **mental arithmetic** practice and **times table** practice. It is important for children to practice their times tables frequently and therefore, we hope you will be able to support your child's mental multiplication and division at home.

It is crucial for children to develop confident understanding of **place value** and the written methods for all **four operations**. Consistent practice of these areas support children's learning in many areas of the Maths curriculum.
